Monday morning for additional subscrip-tions, and it is to be hoped that a like establishment in the Southwest. to turn out first-class work promptly as any Removal. Julius Nagel & Co. have removed to 141 Main street, two doors south of the old stand, ness on a larger scale. This house enjoys a Graham, Cousins & Co., No. 325 Main Street,

builders' hardware and carpenters' frequent headache, mouth tastes badly, and tongue coated, you are suffering from tarpid liver or billionsness, and nothing will cure you so speedily or permanently as J. M. Laroque's anti-billious bitters. Twenty-five cents a paper; one dollar a bottle. For sale by W. E. Thornton, sole proprietor, Baltimore.

Beef Tenderloins,

H. Seessel, Sr., & Son have made arrangements to receive fresh beef tenderloins daily by express, and are prepared to fill all orders promptly, at 239 Second street, corner of this city, asking about her husband, who left Jefferson street.

RELIGIOUS SERVICES TO-DAY. THE STREET RAILWAY. yesterday evening, and will stop here a few

What Mr. Raphael Semmes, the New Superintendent, Has Done and

General Reorganization of Things in All Departments-New Tracks, New Cars, New Stock, Etc.

dent of the Memphis City railway, rday, an APPEAL representative pr eded to ask him a few questions conce uch-abused inst Reporter-How long have charge of the road. Mr. Semmes—Ab rter-In what condition did you fin

would stand the hard usage it had to un dergo. It was hard to keep a car on the track, and consequently they were badly wrecked and wrenched. The rolling stock was very much out of repair. Some repairs were going on in the shops, but not sufficien to keep the cars and roadbed up to that con dition of comfort and convenience demanded by the public, which was evidenced by the aints continually heard against the We felt that in this department to inaugurate a system of repairs demanded by the conditions apparent. To the accomplishment of this end we im-mediately increased the force in the shops and on the road-bed, and have been busil-

what results we leave you and the public to udge for yourself. We are satisfied that we have accomplished some good, which was inicated in a paragraph I saw in the APPEAL a few days ago, complimenting the conduct of the management in conveying passengers to and from Estival Park, and for which Reporter-You have considerable trouble with your Main street line on account of the sprogressing on that street? Semmes—Some little in running cars with that degree of regularity I would wish. But I am satisfied that the public knows the necessity and have so far indulged

not a regular schedule be juaugurated, so that your patrons may know the when and where to catch a car? Mr. Semmes—There is no reason why. In fact, I intend doing so, as I will show you. On the Main street line, for instance, I have calculated that by placing fourteen cars on quare every six or seven minutes. from other lines passing over the Main street line. In order to enforce the rigid observance of my schedules I will post timekeeper uired to carry watches and a copy of the corner Beale and Main, the Main street stables, and the Mississippi and Tennessee rail-

have thirteen cars, giving the natrons of that line a car every seven or erned in proportion.

Reporter—What do you propose to do with the old Jefferson street line? Mr. Semmes—That has been abandoned altogether, I believe, and at present no line will be built extending to the Memphis and graduated in pharmacy, and is justly active steps allotted to Fulmer, Burrenticeship as prescriptionist, Mr. Miles to Estes, Doane & Co., other compartments to Estes, Doane & Co., other compartments being allotted to other contents.

is at present.

Reporter—What influence has the recent junction on your management?

Mr. Semmes—None in the world, sir. It t is at present.

Reporter—What influence has the recent incrin

of the smoking rules?
Mr. Semmes—Yes, I saw something of that character in an Appeal paragraph the other day, and I have concluded to regulate that. I don't believe it will be possible to exempt smoking altogether. It is not done in other cities. My observation is that in many two seats in the rear of each car are reserved for the control of the contr smokers. In some places it is the rule that every other car is the smoking-car, but in no instance do I find that smokers are excluded

Mr. Semmes-We are now con the best means of dealing with rude boys. Our present idea is to secure legislation making r the child can be made responsible. Reporter-Has the City Railway con

the act a misdemeanor, for which the parent they want as many more experienced coat, pant and vest makers. The above firm display the finest line of jeans goods ever exhibited in this or any other market, which is

add that will be of public interest?

Mr. Semmes—I do not know that I have acknowledged by all of the leading clothiers in the city. Mr. H. Morris will himself replic that you might safely assure the public that the company is at present laborine you know, and as we aspire to the good opinions and liberal patronage of the public, the work shall be unceasing until everything grades easy, cars comfortable, schedules accommodating, drivers in thorough discipline, orders enforced to the letter, regulations for the best mutual interests of the company and Nos. 7, 9 and 11 Court street, Frits & George
